Experience that Counts

Model 7020

"The Stocky"  **Bluetooth** Options Available

One-piece portable wand

- Reliable and easy to use
- Lightweight and ergonomically balanced
- Up to 30 hours of battery life
- Reads all ISO 11784/11785 compliant products
- Compatible with all major scales and software
- Up to 10,000 RFID storage
- Up to 1,000 sessions with a maximum of up to 4,000 RFID's per session

Fast, Accurate and Efficient

The Aleis 7020 "The Stocky" is one of our most popular products due to its lightweight design and powerful reading capability. The 7020 has been built specifically for the livestock industry and to withstand the harshest of weather conditions. RFID numbers can be easily downloaded at a later time or the 7020 can be set up directly to a scale indicator, laptop or PDA. With the Aleis download software the transfer of RFID data is easy and reliable.

User friendly display

The 7020 delivers up to 30 hours use from one full battery charge and has a range of distinctive tones and bright LED's to let you know when a device has been read, stored or is non-functioning. A visual screen displays animal count as you read.

Reliability you can count on

Aleis have been developing and supplying livestock reading equipment for over 20 years across all sectors of the livestock industry.

Aleis equipment is responsible for reading over 60,000,000 devices annually.

Model 7020

Bluetooth wireless technology model numbers

7020BT: Reader with inbuilt *Bluetooth* wireless technology

7020BTSD: Reader with inbuilt *Bluetooth* wireless technology and scale with external *Bluetooth* dongle
